

## TO BE HEARD TODAY

## CUNNINGHAM TRIAL COMES UP IN COURT THIS MORNING.

At Nine O'clock This Morning Mr. J. V. Cunningham of Abilene, Texas, will be tried for the killing of Joseph H. McMahon, on the afternoon of April Second, in the Manhattan Hotel—Mr. Cunningham is accompanied by a host of warm friends—all of them are prominent citizens of Texas.

Today at 9 o'clock the trial of J. V. Cunningham, charged with the murder of J. B. McMahon, will commence in the district court before Judge Dale. Mr. Cunningham, it will be remembered, shot Mr. McMahon in the office of the Manhattan hotel on the afternoon of April 2. The preliminary was heard before Judge of the Peace G. W. C. Jones, who put Mr. Cunningham under \$10,000 bail. He obtained the bond readily and returned to his home. He, together with a host of friends, have arrived from Abilene, Tex., and are now ready for the trial to proceed. Mr. Cunningham has procured the legal services of Judge Wall and A. E. Helm of this city and Mr. H. K. Leggett of his own town. The state will be taken care of by Messrs. Amidon and Conley.

All the evidence was completed yesterday, when the Manhattan hotel office was measured. Mr. Cunningham is stopping at the Santa Fe house, while his friends are quartered at the Manhattan. Among those who accompanied Mr. Cunningham to this city were Rev. J. S. Chapman, president of the Methodist church of the Abilene district; M. C. Lambeth, county and district clerk of Taylor county, Texas; Judge T. H. Conner, district judge, who, with his residence in Abilene, is a life-long friend of Mr. Cunningham; Ben E. Cabell, sheriff of Dallas county and president of the State Sheriff's Association of Texas; W. A. Stewart, sheriff of Johnson county, Texas; J. H. Keith, ex-city marshal of Abilene; S. P. Clark, sheriff of Tarrant county, with headquarters in Fort Worth; R. M. Love, United States marshal of the Lone Star state, and Sheriff Jackson of Hays county, who resides in San Marcos.

All of them are perfect gentlemen, and while they all deplore the unfortunate and untimely death of Mr. McMahon, yet they are here to help their friend, whom they firmly believe to be innocent of the crime for which he is now to be tried. They are and all believe that Mr. Cunningham thought that Mr. McMahon was trying to kill him and he, in self-defense, shot him.

They have no apprehensions whatever that they will not receive fair treatment and that justice will not be rendered them. The talk that Mr. Cunningham was going to ask for a change of venue is utterly without foundation. The proceedings of this trial will be watched with a great deal of interest by many people of both Kansas and Texas.

## FULL PENALTY AND MORE

## Judge Dale Accused of Cruel and Unusual Punishment.

The train that came up from Woodward last night brought Chief Justice Frank Dale, Sheriff Bob Benn, Billy Bolton, Henry Smith and Sam Smith. The fifth portion of the contingent were in arms and were being conveyed to the penitentiary at Lansing. County Attorney George Smith of Woodward, county having succeeded in convicting Sam of robbing a saloon and Henry of robbing a store, Judge Dale tried the cases and sentenced them to the penitentiary for seven years each. That was the full extent of the law, but Judge Dale sought to go farther. One of the sturdiest men in Oklahoma gave Judge Dale five cigars before he left. He and Bolton and Bob Benn all tested the cigars with their noses and finding that they were made of alfalfa or some other common vegetable, he concluded that he did not want to smoke that kind and he gave them to the prisoners. It was thought that the men could not live until they reached the penitentiary.

## THE TRUE REMEDY

W. M. Repine, editor Tiskila, Ill., "Chief," says: "We won't keep house without Dr. King's New Discovery for Consumption, Coughs and Colds. Experienced with many others, but never got the true remedy until we used Dr. King's New Discovery. No other remedy can take its place in our home, as in it we have a certain and sure cure for Coughs, Colds, Whooping Cough, etc." It is idle to experiment with other remedies, even if they are urged on you as just as good as Dr. King's New Discovery. They are not as good, because this remedy has a record of cures and benefits is guaranteed. It never fails to satisfy. Trial bottles free at Geo. Van Warden's pharmacy, 328 N. Main street, and G. Gehring's drug store, northeast corner of Topeka and Douglas avenues.

## THORNE WINS HIS SUIT

## He Gets a Small Judgment After Being in Court For Ten Years.

The jury in the case of G. L. Thorne vs. Thomas K. Fullum in the district court returned yesterday about 6 o'clock and awarded a judgment to Mr. Thorne of \$32.40. The case has been pending in the court since January, 1896, and has cost the county \$28.75. The evidence in the case elicited the following information. Thorne rented a farm from Fullum in this county for a year, going shares on a wheat crop. Part of the wheat was frost bitten and Thorne obtained the verbal privilege of putting in corn where the wheat had been destroyed. After the written contract had expired they made a verbal contract and

## BLEEDING PILES

And all other forms of this common and often dangerous disease readily cured without pain or inconvenience.

Thousands of men and women are afflicted with some sort of piles, without either knowing the exact nature of the trouble, or knowing it, are careless enough to allow it to run without taking the simple means offered as a radical cure.

The failure of salve and ointments to permanently cure piles have led many to believe the only cure to be a surgical operation.

Surgical operations are dangerous to life and moreover not often entirely successful and at this time are no longer resorted to by the best physicians or recommended by them.

The safest and surest way to cure any case of piles, whether internal, external or protruding, is to use the Pyramid Pile Cure, composed of healing vegetable oils, and absolutely free from mineral poisons and opiates. The following letter from a Pittsburg gentleman, a severe sufferer from bleeding piles, gives some idea of the prompt, effectual character of this cure. He writes:

I take pleasure writing these few lines to let you know that I did not sleep for three months except for a short time each night because of a bad case of bleeding piles. I was down in bed and the doctors did me no good. A good brother told me of the Pyramid Pile Cure and I bought from my druggist three fifty cent boxes. They cured me and I will soon be able to go to my work again.

WILLIAM HANDSCHU,

48 St. Cotton Alley, below Butler St.,

Pittsburg, Pa.

The Pyramid Pile Cure is not only the safest and surest remedy for piles, but is the best known and most popular. Every physician and druggist in the country knows it and what it will do.

Send for little book on cause and cure of piles, describing all forms of piles and the proper treatment.

The Pyramid can be found at all drug stores at 50 cents per package.

A short time after Fullum got out a suit of

ejunction. Thorne then sued Fullum and obtained the amount already specified.

## Three Entrances to New York.

The opening of the new Twenty-third street entrance to New York by the Vanderbilt-Pennsylvania Short Lines gives passengers over this route choice of entering that city at three different points: Cortlandt street, Desbrosses street and Twenty-third street. All are in the heart of New York, convenient to business blocks and hotels. Four through trains from St. Louis every day. Ask W. F. Brunner, Assistant General Passenger Agent, St. Louis, Mo., about them.

## The Winfield Chautauqua.

From the Winfield Courier.

Among the rare attractions this season will be Russell H. Conwell in two lectures. "Acres of Diamonds" alone is worth the price of a season ticket. John De Witt Miller in his "Question Box" will afford a rare treat of eloquence and wit. Those who have heard him need not be urged to be on hand when he appears. Remember that Maximilian Dick and Georgia Lay of the Yaw Concert company and Miss Thos. Reed will appear every day and Prof. Mounie will give two hours' chorus work daily. It is not necessary to comment on the work of Dr. H. L. Willett. He has been with us two years, and his classes will be sought this season with more earnestness than ever, while for those who are interested in the study of literature Prof. A. H. Tolman of Chicago has been secured, who will conduct classes each day. Prof. Tolman has degrees from both Williams and Johns Hopkins and his work in literature has been attended with marvelous success. Prof. Blake of Kansas University has been secured to conduct a class in electricity during the entire session and will give two platform lectures. Persons desiring tents should write early as there are but few tents in the market this year and the management must order in time to have them made. For particulars address "The Assembly, Winfield, Kan."

Porter Strickland and John Roberts were arrested in the Douglas avenue hotel yesterday afternoon for being drunk. By Officer Carroll, Strickland called Officer Carroll some vile names and resisted arrest. He was cracked over the head a couple of times with a "billy" when he changed his mind and decided to go to the city prison without further ado.

General J. H. Lyon, who was re-elected yesterday, was also presented with a handsome jewel of honor which is only obtained after actual service. The jewel was given by the Kansas brigade. The general was re-elected for another term of four years. He had no opposition. The general resides in Lawrence, Kan., and is very popular with the boys all over the state.

## TELLS THE FACTS

## MR. CLOGSTON OF GRANT COUNTY ON THE EMBEZZLEMENT CASE.

He Receives a Dispatch Saying the Demurrer Was Sustained by Judge McAttee—That Ends the Case if a New Indictment is Not Made by the Grand Jury—He Roasts "the Alleged" Expert Accountant to a Finish—A More Expert Accountant Will Find That Green Is Not Short But That the County Owe Him.

Mr. L. E. Clogston of Pond Creek, O. T., was in the city yesterday, having come up to participate in the jury incident to the visit of the Knights of Pythias. While here he received a dispatch stating that the demurrer which they entered in the case of the territory against ex-Treasurer Green and ex-County Sheriff Worcester, for alleged embezzlement, had been heard by Judge McAttee and sustained. This ends the sensational case against the ex-county officers mentioned unless the grand jury finds another true bill against them. There has been so much said about the case that a reporter for the Eagle sought Mr. Clogston at the Carey yesterday to ascertain the facts from him. His statement of the case is exactly as follows:

"Mr. Green is charged with the embezzlement of \$2,000 while treasurer of Grant county. The charge is supported upon information furnished by a young man named Baerd, an 'accountant,' who worked in a minor capacity about eight months for Mr. H. E. Patterson of our county, and then started into business as an 'expert accountant' for himself. He was employed by the Pop county commissioners and given a fee of \$300 and 25 per cent of whatever shortage he could find. There is no evidence at all to show any charge of shortage against Green except the evidence of this man Baerd, showing an error in account of \$92. Ninety-nine men out of every hundred in the county refuse to believe Mr. Green guilty. Mr. Patterson of your city is now working on the books and has been for two weeks, and we are satisfied beyond all possible doubt that he will be amply able to prove that Green never appropriated a dollar of county funds, and we further believe that the examination of the books will show that the county is indebted to him. The burning of the court house destroyed a whole lot of books, vouchers, etc. In these cases, and that's the reason there is any question about the records.

"Mr. Worcester was arrested charged with embezzling \$5,500. The people of Grant county are almost unanimous, regardless of politics, in the opinion that he is not guilty. They could not find any man mean enough in the county to institute proceedings against him, so they had to import one for the purpose. All there is in this case is an attempt on the part of a few scheming Pops to blacken the character of the best officer Grant county has ever had. The mode of prosecution is one that is condemned by all good people of the county. The first intimation of any shortage was when the warrants for Green and Worcester had been issued. They followed Mr. Worcester to this state, where he had been attending the funeral of his mother, and arrested him. Their charges are general and sweeping, nothing definite in them, but all based in generalities. The alleged expert accountant hired by the county refuses to file his report that any information may be gained as to where any shortage may exist. All the reports sent out have been in the interest of the prosecution and they misrepresent the facts. The grand jury heard but one side of the case in order to bring in an indictment."

"The prosecution is represented by Sam Weston, county attorney, and Joe Wisby. The latter is to get \$100 in cash for each case and \$10 per day for expenses. The defense is represented by L. E. Clogston, J. M. Asher and A. M. Mackey of Pond Creek and D. S. Dill of Medford.

## MUSIC AND DRAMA.

## BIG TENT.

A large and appreciative audience greeted the Visian De Monto company at the big tent last night, every seat being occupied, and everybody evidently enjoying the performance. The specialties are the best ever witnessed in a tent show. In fact, the entertainment given by this company is as good or better than the average popular price show. Each of the company deserves special mention. Miss Alice Raymond is the leading attraction this week and she is compelled to respond to four or five encores each evening. She is certainly master of the cornet. Her music is soft, not a harsh note. She deserves the title she has of being the world's greatest lady cornet soloist. St. Clair and De Camlo do sensational and thrilling feats on the trapeze. They are excellent entertainers.

## DOLAN IS ALL RIGHT

He Brings a Track Layer's Strike to a Sudden End.

From the Perry Patriot the following information is gleaned:

"A short strike occurred near Red Rock Friday among about one hundred hands now engaged in taking out the old ties and replacing them with new ones and putting in new rails on the Santa Fe.

"The men complained that they were charged double for meals; that is, the company charged them twice. Superintendent Dolan came along and these laborers got after him and he promised to take off one of the charges, and now everything is serene. The men claim that while they were in Guthrie during the food they were charged three and four dollars a week for grub, and at the same time the bookkeeper at Red Rock was charging them the same price.

"Another cause of the short strike was that the bosses would not care for some sick men. All has been straightened out, the strike only lasting two hours.

## MENAGERIE IS LEASED

Walter L. Main Circus Obtained the McMahon Animals.

The menagerie of the McMahon Bros. circus was shipped on Monday evening to Marion, Kan., over the Santa Fe railroad to the Walter L. Main circus which is giving exhibitions all over southern Kansas. The menagerie included all the animals belonging to the McMahon show, and which were bought by Mr. Carl Allen at the sale the fore part of this month. The only animals which were not sent were the two lions. The shipment included two camels, one zebra, monkeys, birds and several feline animals. Mr. Allen leased the menagerie to the Main circus for the balance of the season. It is now an understood fact that the McMahon circus will not take the road this season.

## WORK NEARLY DONE

(Continued from Fifth Page.)

culine. The letters "P. L. C. F." of the Rathbone Sisters represent something quite different and fully as essentially feminine, standing for "Purity, Love, Equality, Fidelity." At least three of which meets the hearty approval of every one, and the third is shunned only by those who fear the results of female suffrage. The motto of the order is "Onward and Upward," and while not a new one, the sentiment thus expressed may be equalled but not surpassed.

The ladies began to return to their respective homes last night, and nearly all of them will have left by tonight. The visiting sisters have witnessed the rapid upbuilding of the Alla temple in this city now but three weeks old. The name was given in honor of Mrs. Alla Hills, past grand chief, who has won her way into the hearts of all with whom she has come in contact. The lodge will grow steadily some day the supreme lodge of the Knights of Pythias will meet its Waterloo in being unable to withhold further recognition from so prosperous an organization. For what body of men individually can do without women, and the less they can do without her individually, the less they can get along collectively.

## FAREWELL RECEPTION AND BALL

The farewell reception and ball at the Auditorium this evening will be an entertainment which promises to be both novel and interesting. Shaw's complete orchestra, led by Professor D. W. Pitts and C. H. Blume, first violins, with fifteen accomplished musicians will be present and furnish music that of itself should be sufficient to bring a full house. The novelty exhibition and drill arranged by Captain J. B. Bennett will be unique. It will consist of a drill by Sir Knights selected from Girard and Wichita companies given to illustrate the display movements of the Knights of Pythias tactics. This exhibition will interest citizens and soldiers. In addition there will be exemplified the drill work of the regular staff of Alla temple, Rathbone Sisters of Wichita. The work by this staff is exceptionally good.

## AGAIN A BRILLIANT SUCCESS.

The Crawford Grand last night was a scene of beauty and delight. The second rendition of the comic opera, "The Doctor of Alcantara," was on the boards. The Eagle rarely gives the second writing or sketch of a play, but the fine production and the exceptionally good interpretation, so full of good points and sentiment, justifies a departure from the usual custom. From beginning to close, where the curtain falls upon the final revelation and love meets its reward, the acting was good. Many visitors in the city who were present at last night's performance could hardly be persuaded that the leading characters were interpreted by amateurs of our own city. The entire cast was good and few life-long actresses could have more successfully and ably assumed the character of "Lucrèce" and rendered the dramatic expression and composition more forcibly and faultlessly than did Mrs. Earle Blake. Her emphasis, passion displays, diction and voice were perfect and has won her a high appreciation in the hearts of all lovers of the art.

Misses Dunbar and Lantz showed themselves happily equipped in all the requirements and qualities of expression with attractive personnel that their original characters would have displayed. Miss Monte Dunbar as Isabella, won the hearts of her auditors by her admirable rendition of the beautiful solo, "Ah, Woe is Me." Her acting was good and movements very graceful. Miss Jessie Lantz of El Dorado in her interpretation of Inez, the maid, was the impetuous and presuming maid to perfection. Her rich contralto showed to special advantage in the duet with Miss Dunbar, "Away, Despair."

Mr. Harry McClung as Dr. Paracelsus, exceeded any of his former efforts in acting. Mr. McClung, in addition to his rich baritone, possesses the happy faculty of giving a facial expression in keeping with the sentiment of his song.

Mr. B. A. Ward as Balthazar and Pompo requiring two very difficult conceptions, interpreted each in so satisfactory a manner that he was highly complimented and all acknowledged him very superior comedian. Mr. George Westgate sang the Carlos serenades and solos in a manner that surprised even those best acquainted with the richness of his voice. He has won for himself the honor of standing at the head of the many able tenors of the city. His acting was always after the spirit of the play and he looked his character.

Misses Earle Blake and William Slies as porters, namely Perez and Sanchez, did their parts most admirably inasmuch that some present suggested that they adopt the stage as their profession.

The chorus was beyond doubt the best and most professional ever given in an amateur presentation, even before a Wichita audience. The chorus was assisted by the German Mannerchor, with Henry Huttman at the piano.

The entire presentation, rendition, cast, chorus, interpretation and songs were artistically and charmingly executed without mar or break. The representative characters were thoroughly trained and all possessed exceptional material and acquired ability for the forcible utterance of the human emotions and the tender sentiments which form the charm of real life that is stranger and more attractive than the ideal of fiction and romance.

Mr. and Mrs. Pitts can produce no higher recommendation than the excellence of the entertainment. They and the knights are to be congratulated.

## HAD TO COUNT TIES

Railroad Track Layers Put Off by the Conductor Glazier.

The Perry Patriot gives the following account of a difficulty between Al Glazier and some trackmen. It says:

"Near Red Rock one hundred men are putting in cross ties and steel rails for the Santa Fe. Saturday night about forty of the gang went to Oklahoma City and came back yesterday. The boss of the gang obtained a pass for the gang from Oklahoma City to Red Rock in a bunch, but when Conductor Glazier came to count them there were five more men than had passes. He told them to get off at Perry but they would not. Yesterday evening the train had gotten half way to Arnettville when the conductor discovered his men. He stopped the train and packed it in the depot here and commenced to lead them off, but they would not lead. Pistols and knives were drawn and it looked for a while that a battle would take place, but Ed. Hattburn and Marshall Shockey and Penn quelled the boys and the train moved on after a half hour's delay. The five men counted the ties from here to Red Rock last night."
